

(d) The apple operation requesting benefits under this subpart must certify to the accuracy and truthfulness of the information provided in their application. All information provided is subject to verification by CCC. Refusal to allow CCC or any other agency of the Department of Agriculture to verify any information provided will result in a denial of eligibility. Furnishing the information is voluntary; however, without it program benefits will not be approved. Providing a false certification to the Government is punishable by imprisonment, fines and other penalties.

§ 1470.105 Eligibility.

(a) To be eligible to receive a payment under this subpart, an apple operation must:

(1) Have produced and harvested apples in the United States at some time during the 2000 crop year;

(2) Not have been compensated for the same market loss by any other Federal programs, except an indemnity provided under a policy or plan of insurance offered under the Federal Crop Insurance Act (7 U.S.C. 1501).

(3) Apply for payments during the application period.

(b) Payments may be made for losses suffered by an eligible producer who is now deceased or is a dissolved entity if a representative who currently has authority to enter into a contract for the producer signs the application for payment. Proof of authority to sign for the deceased producer or dissolved entity must be provided. If a producer is now a dissolved general partnership or joint venture, all members of the general partnership or joint venture at the time of dissolution, or their duly authorized representatives must sign the application for payment.

(c) An apple operation must submit a timely application and comply with all other terms and conditions of this subpart and instructions issued by CCC, as well as comply with those instructions that are otherwise contained in the application to be eligible for benefits under this subpart.

(d) All payments under this part are subject to the availability of funds.

§ 1470.106 Proof of production.

(a) Apple operations selected for spot checks by CCC must, in accordance with instructions issued by the Deputy Administrator, provide adequate proof of the apples produced and harvested during the 2000 crop year to verify production. The documentary evidence of apple production claimed for payment shall be reported to CCC together with any supporting documentation under paragraph (b) of this section. The 2000 crop year production must be documented using actual records.

(b) All persons involved in such apple operation producing apples during the 2000 crop year shall provide any available supporting documents to assist the county FSA office in verifying the operation's apple production indicated on the application. Examples of supporting documentation include, but are not limited to: picking, packout, and payroll records, RMA records, sales documents, copies of receipts, ledgers of income, or any other documents available to confirm the production and production history of the apple operation. In the event that supporting documentation is not presented to the county FSA office requesting the information, apple operations will be determined ineligible for benefits.

§ 1470.107 Availability of funds.

The total available program funds shall be \$75 million as provided by section 741 of Public Law 107-76 except as determined appropriate by the Executive Vice President of CCC and authorized by law. Any discretion in such matters shall be the discretion of the Executive Vice President alone.

§ 1470.108 Applicant payment quantity.

(a) The applicant's payment quantity of apples will be determined by CCC, based on the production of the 2000 crop of apples that was produced and harvested by each operation.

(b) The maximum quantity of apples for which producers are eligible for a payment under this subpart shall be 5,000,000 pounds per operation. The Deputy Administrator shall determine what may be considered a distinct operation and that decision shall be final.
